SUMMARY

Graphic Designer with 2+ years of experience specializing in social media design and visual identity. Experienced in delivering high-volume creative content for brands across diverse industries, including clients in the Saudi market. Skilled in AI-powered creative workflows and Adobe Photoshop, Illustrator, and InDesign, with a strong focus on creating visually consistent and engaging social media creatives.

PROFESSIONAL EXPERIENCE

Graphic Designer (Part-time), bareq studio 03/2026 – Present
Egypt - Remote

- Designed carousel and social media creative sets for multiple brand accounts, adapting visual style to each client's identity.
- Partnered with the branding team to translate campaign briefs into on-brand marketing assets.

TAR Group

Graphic Designer 10/2025 – 07/2026
El Mansoura, Egypt

- Delivered 250+ social media creatives per month across clients in multiple industries, balancing volume with brand-specific visual standards.
- Worked with cross-functional teams (marketing, strategy) to keep campaign output on-brand and on-deadline.

Graphic Designer (Internship) 07/2025 – 09/2025
El Mansoura, Egypt

- Built foundational design skills by contributing to live marketing campaigns under agency deadlines.
- Practiced photo manipulation and creative problem-solving on real client briefs, transitioning from internship tasks to full production work.

Graphic Designer, hosoun educational platform 02/2025 – 03/2025
Riyadh, KSA - Remote

- Designed website banners, digital ads, and social creatives for the Saudi education market.
- Adapted visual direction for a new regional audience while keeping designs aligned with the platform's brand identity.

Graphic Designer, Center Focus 10/2024 – 06/2025
El Mansoura, Egypt

- Designed social media creatives and marketing materials for the center's ongoing campaigns.
- Rebuilt the center's visual identity from inconsistent assets into a unified brand presence.
